3/6/2017 10:08:44 AM(UTC-5)

I know I say "I love you" all the time, but that's not enough. Those three words can't describe the way I feel about you. You make my tummy do flips and my hands shake. I've never loved anyone as much as I love you and I don't think I will ever love someone this much again. You're everything I have ever wanted and needed. I love you so much, you're my everything, my entire heart and world.
